

Precedence is all about the quality. It's not just the fabric, but the way it's woven, the way it's dyed, the way it's finished. It's about the attention to detail, the care that goes into every stitch. It's about the craftsmanship, the skill, the passion. It's about the story behind the fabric, the people who made it, the place it came from. It's about the way it makes you feel, the way it makes you stand out. It's about the way it makes you feel like a queen.
